Rich,

Dan is out until tomorrow but he graciously took the time to call me this morning. Anyways, he said he plans on doing a walk through at the Queen Street Site tomorrow to evaluate if anything else needs to be done. We should know more after the walk through. Thanks.

Ted:

Thanks for keeping me in the loop. Can you let me know the status (i.e., when does EPA expect to give the “tasks complete/all clear”) for the the Queen Ave. property? Are there any remaining tasks that need to be done to get the all clear? I understand that Dan Heister may be out of the office this week, but I did not know if anyone else is monitoring progress while he is out.

Thanks and regards,

Dave,

I spoke with Chris Rich yesterday. A meeting before next week's hearing could be helpful. I'll talk with Chris about it after I've coordinated things on my end. I need approval to travel. I assume, we would include representatives of the Trustee, Debtor, Vencorp, WCT, and party purchasing the Queen Street property.
